

IT'S OFFICIAL.

The Majority of **RACIST VIOLENCE** (Including **MURDER**) is committed **AGAINST WHITES**

A Commission for Racial Equality (CRE) report has left Liberal do-gooders and Multi-Racialist shocked with its findings.

The CRE report has left Liberal do-gooders and Multi-racialists shocked with its findings. The report states that out off eight murders with racial undertones committed between, 1996/98, were four Whites, two Asian, one Black and one other of unnamed origin.

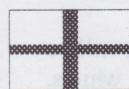

So that means 50% of Racist murders were against white people.

In 1995, a shocking 381,000 crimes with a racial motive were reported, these included street robberies

(muggings) common assault, wounding and personal property. These figures tell a different story to what the papers and TV lead us to believe, the broke down shows you are more likely to be attacked if your White, than any other colour.

Total Racial Attacks	381,000
White victims	238,000
Asian victims	101,000
Black victims	42,000

The **National Front** has been telling you this for years, the CRE has now confirmed that we have been telling the truth all time.

St. George's Day
NF hold successful parade

On Saturday 24th April members of the NF/YNF held a trouble free parade in Kidderminster.

Assembling near the BR station, the NF column formed up, with more than 15 St. George's flags at the front.

This day has always been celebrated in the NF's 32 year history, and is still one of our main events of the year.

During the weeks leading up to our parade, we saw an assortment of Newspapers, Marxist (new) Labour MP's, ANAL, Black, Asian, etc, etc groups urging Jack Straw to ban our parade in WORCESTER. Instead of banning it, we had ridiculous conditions imposed on us, like parading

at 8.00am, we had applied for 1.00pm, they wanted it in a deserted area on the outskirts of town and only 100 yards, we wanted it in the town centre about mile long, they also said, we couldn't have a rally, placards, chanting or singing, needless to say we wanted all these things.

The Police officer dealing with our parade was a disgrace at best, and totally inadequate at worst.

It was only through the media, that we even found out, about the restrictions put on our parade.

So it was decided a policy of non- co-operation with the police, we informed them that "we would not be parading at 8.00 am" and that we will be applying to march in Worcester on the next three Saturdays.

The police sent letters and made numerous phone calls, asking us to confirm in writing, that we had cancelled our parade (which we hadn't).

STOP PRESS - STOP PRESS-THE GOVERNMENT HAS SAID THE KOSOVAN WAR HAS ALREADY COST OVER £80 MILLION

Editorial

Welcome to all our new readers, especially those from Greece, Italy, Norway, USA and Russia, we hope you enjoy this issue of "Bulldog"

Prime Minister Tony Blair has pledged to stamp out racial and religious intolerance and hatred. Blair was addressing the Muslim Council of Britain, the first British PM to do so. He also told parliament that the government is looking at ways of tightening the law on incitement to racial hatred. Blair said his ministers were looking to strengthen existing race hate laws and make racial hatred a crime. "Though we live in a tolerant democracy the one thing we shall not be intolerant of is racial prejudice."

The Government is also looking at ways of stopping patriotic parties like the NF from gaining seats at next years, Mayor for London and 25 assembly places, the elections will be run on a PR system, Labour MP Nick Raynsford said, parties would need 5% of the vote to get any representatives, this would stop race hate parties getting a voice to peddle their vile racist propaganda.

Well the NF is to start campaigning now, and when we get more than 5% of the vote, I'd love to see Raynsford ugly mug.

STATEMENT TO TONY BLAIR, FROM THE EDITORIAL STAFF AT BULLDOG

Bulldog, and the NF/YNF are primarily known for its 'Stop Immigration-Start Repatriation' policy, because of this, the media portray us as a 'race-hate' party, the Editor and Staff of 'BULLDOG' deny this vigorously, we only seek to persuade our readers/members to feel angry about the evils and failures of this multi-racialism experiment, and to direct any anger they have, only at the corrupt politicians who created the racial problems that exist in Britain today, and not at the Immigrant population in general. "Racialism" is NOT unlawful - only "racial hatred." The NF is a British Patriotic Political Party pledged to win power through the ballot box, in democratic elections.

Writing in his column for the News of the World, Jewish film director Michael Winner, said, As I predicted, police are scared to stop and search non-whites since the Lawrence Report. They've "disengaged", says the Police Federation. Result: Street robberies in London are at an all-time high. More than 100 muggings a day!

Is Mr Winner saying, that **ALL** muggings are carried out by **BLACKS**, if so, I am sure the Commission for Racial Equality, Elliott House, 10-12 Allington Street, London, SW1 Tel: 0171-828-7022, should be told, as this is surely incitement to racial hatred, isn't that a crime.

If 'BULLDOG' said it, we would be prosecuted, or is their one law for rich Jewish film director's and another for British patriotic white people?

BLACKS BENEFIT ONCE AGAIN, CLAIMING RACISM

With the continuing usage of the name Stephen Lawrence, to last stated that, '...they have been using the case of Stephen Lawrence to gain advantages with regards to law and policing with in Britain...'

Panorama, a so-called 'politically - balanced' programme shown in January, was produced solely in the interests of the black community and in my opinion produced to pollute the minds of narrow minded people in Britain.

Its aim was to show how badly 'blacks' are supposedly treated by the police in Britain.

The Panorama interview with Sir Paul Condon (Met Police Commissioner), stated that '... no one was convicted of Stephen's murder because he was black...,'and that, as claimed by Mr. Lawrence, '... the police see black people as worthless... 'Never!

Sir Paul Condon, stated that this was not true. He stated that their are racist officers, and they are being dealt with, plus they are also being deterred from joining the police force. (True. Due to racists being deterred from joining the police force, this may be one factor why there are not many blacks and Asians joining the Met).

The interview then went on to emphasise

that there continues to be other instances in which the police are being portrayed as racists.

Oluwa Kubweza, a trainer of what allegedly seemed to be a black only football team, said that figures showed that blacks are five times as often to be 'stopped and searched; by police, than whites. (Perhaps this trend suggests that they cannot drive that well.) As a result of this the Met Police have started three pilot schemes in London, which aims to reduce the amount of blacks pulled over and searched: but how can they do this ? Perhaps by pulling over more white people! Furthermore think what will be the result of this: more drug-pushers, rapists and muggers being allowed to drive around our streets carrying out crimes, without the fear of being stopped and consequently prosecuted. (These crimes are not committed by blacks only, white trash also carry them out.)

Another case highlighted by 'Panorama' was that of a Police Constable namely, David Michael who claimed that he was denied promotion with in the Police force, because he was black. David Michael claimed that he knew that his colour was solely the reason, as during his time in the police force, he was repeatedly called, '...a spade... Oi spade do this, spade do that...,'he claimed.

David Michael has now gone back to work

and he has been promoted to Det Insp.; I'd rather be promoted in a job by the fact that I have brains; not by the colour of my skin!

In a few years time, if not sooner, it will be one law for blacks and another for whites. Perhaps it will be that black people will dictate to the Government the laws which best suite them, hence whites being treated as third class citizens rather than just being seen as second class in today's society.

We will see a black only police force, replacing the diverse one we have at present. Well, it is possible; Britain already has black and Asian newspapers (which are freely available to buy in any shop), community center's, housing associations, social services and law/citizens advice bureaus. So unless we stand up to facts 'NOW,' we will be replaced and fall speedily into becoming the minority with in Britain.

To stop the sell-out of white interests join the Young National Front.

Do not let US, Your Country or, Yourselves down...

The Editor welcomes articles and thanks you for them, but due to Britain's race laws, he has to restrict certain references, as in this case, but he feels sure it hasn't spoilt the article, and the message was still understood.

BULLDOG BLACKLIST

Bulldog Blacklist is the section where we publish names, addresses, telephone numbers, places of employment, etc, we can get on, Anti NF Reds, Teachers, Journalists, Police, etc, you name it, we want it. However we would like to make it clear, this is not some kind of hit-list, and we do not wish to see the people we expose, intimidated or harassed, in any way or shape.

This section is only to demonstrate to them, that they are just as vulnerable to the exposure tactics used against us.

Bulldog will continue to do this, until patriots & their families have stopped being intimidated and harassed at home, work or in the street.

We thank everyone who has sent in,
information, keep it coming.

Our '**Active Service Unit**' has
been very busy, with paper sales,
leafletting, demonstrations and
marches.

We've been back to Chrisp St
and Brick Lane markets in East
London, we have been targetting
football matches again, Crystal
Palace, Chelsea and West Ham
and the following week Millwall
and Fulham, The Police gave us
hassle at Palace, Millwall and
Fulham, moving us away, for
what they said was, to keep the
peace and not to offend football
fans with the content of our
leaflets. With Millwall at
Wembley, the club decided it
would be a 'Millwall Anti-Racist'
day, so it was fantastic to see
YNF members giving out leaflets
at Wembley in NF tee-shirts. One
Saturday, alone, we leafletted 8
Kent towns, with
enquiries/members flooding in.

Many more activities have taken place, details will
be in the next issue of 'The Flame' and in the next
members bulletin. If you live in London (or are
willing to travel to London) and want to join the
'**London Active Service Unit**,' on any of our
activities. Please contact us on -0181-289-1122

Many thanks to Stigger, for his great solo evening of ballard music.
The evening was very successful raising around £300, for the
National Front.

The NF would like to thank Stigger, and everyone involved, in
making it, an enjoyable night, and we very much appreciate it.

Also thanks for all the effort other bands have put in raising money
for the NF over the last year. Heres to many more gigs!

ROGUE'S GALLERY

"ROGUE'S" COLLINS ENGLISH DICTIONARY 'dishonest or unprincipled person, inferior or defective specimen'

The *rabid* group pictured, were demonstrating outside Burnley Crown Court, trying to get, two thugs, found guilty of assault, and given 12 months, freed.

Taj Ahmed of Lark Hill, Rawtenstall and Roberto Brollini of Dale Street, Haslingden, were seen kicking two men.

It just so happens, one of the two men they were seen kicking, was a patriot and had been a candidate in the General election, because of this, 'ANAL' and the two's barrister Mr. Robert Crawford, are to appeal.

'WE SAY 12 MONTHS WASN'T ENOUGH FOR THESE SCUM.'

Do you recognise anyone in the picture, if so, please let us have, they names, addresses, phone numbers.

This EXCREMENT pictured, should remember: - "THE BULLDOG BITES BACK."

St George's Day continued.

NF members and supporters were informed of our new re-direction point and time, also they were told they could be arrested when entering Worcester, but we felt, that as NF members are law abiding citizens, we couldn't allow this, so we phoned the officer in -charge and informed him that a large number of NF members were at Kidderminster BR station waiting to board a train into Worcester. As had been the case, all along with this policeman, he sent over 100 officers screaming to Kidderminster station to stop us from getting on the train.

The police, many dressed in riot gear and NF members stood face to face for about 25

minutes, until a chauffeur driven car turned up, and a police commander got out, after a short discussion, it was agreed to hold our parade and rally there and then.

With most reds, back in the sewer's from where they had crawled from, the parade was nice and peaceful, showing, that NF members don't start trouble, they only finish it, if attacked.

The police Commander told us, to speak to him personally, if we want to march in his area again. (which we will be) Another victory for the NF and total humiliation for our opponents, when will they learn, they will **never** defeat the NF.

Once again, the National Front was the only, patriotic party to celebrate St George's Day.

JUSTICE FOR ALBERT MARINER

At 7.45pm on Tuesday 3rd May 1983, O. A. P. Albert Mariner and other NF members were walking to the High Cross Lower School, Tottenham Hale.

They were on the way to an election meeting in support of the NF's candidate for Tottenham.

Albert and other NF members came under attack by a mob of 500 mainly Black youths, who hurled bricks, rocks and other lethal missiles.

Albert was struck on the head by a brick, and was taken to hospital by ambulance, but sadly Albert died the next day.

Albert Mariner was a model NF activist and member of Tower Hamlets Branch, despite his age (Mid sixties) he seldom missed an NF activity and was seen selling papers at Brick Lane Market every Sunday without fail.

The memory of Albert Mariner must be an inspiration to all National Front members.

We all owe it to Albert, that the Black's and Red scum who killed him, will never triumph. Albert gave his life in the battle to win back Britain for the British people.

The Young National Front is supporting the League Sentinel in demanding that Home Secretary Jack Straw holds a public inquiry into Albert's **MURDER! Contact, Justice for Albert, League Enterprises, 27, Old Gloucester Street, London, WC1N 3XX.**

OWN GOALS

A trainee Bangladeshi Metropolitan police officer has been booted out of Hendon training college for being a **racist**.

The Muslim recruit told an instructor "If he saw a Jew he looked the other way and he hated Sikhs because they wash their hair in the blood of Muslims.

"Asked how he would work in Golders Green or Southall, he said he would refuse to"

The trainee has been working in Manchester for three years as a special police officer.

The Met who are trying to attract more ethnic recruits said, "He has resigned."

Nigerian-born George Hayes who came to this country in 1984, has been given two life sentences for rape (eligible for parole in only nine years).

Hayes who had imprisoned and raped a student, from the Midlands, while on bail for the brutal rape and imprisonment of a solicitor from Bristol.

Hayes, who advertised in 'The Guardian's

lonely hearts column, was described by the Judge, as violent, sexually deviant, a liar and said he has symptoms attributed to Jekyll and Hyde.

An asylum seeker hanged himself because he feared he would be deported.

Mehretab Kidane from Eritrea had arrived in Britain in 1995 and was granted temporary admission, but he was found hanging by a nylon cord and an iron flex on the day of his appeal.

The Press Complaints Commission has refused to reprimand the black newspaper "New Nation."

The Editor had appealed in its page's for the addresses of the so-called 'Eltham Five,' and he suggests they should be "visited at home". Presumably the Commission doesn't feel this is incitement to violence and racial hatred.

With this in mind, can anyone supply the address of the Editor of "New Nation." 'Bulldog' would like to publish it and suggests he be "visited at Home".

GOD'S CONTRIBUTION 1.

Go forth and fight for our nation; but let the help which is from heaven be with you.

1 Maccabees Chapter 16, verse 3. Apocrypha.

Printed below is a copy of a letter we obtained, which had been sent to 'THE ARCHBISHOP OF CANTERBURY,' LAMBETH PALACE.

We would like to point out, the writer is not a member of the NF, but a Patriotic Christian.

Dear Sir,

I noticed your comments recently regarding the arrival in Britain of vast numbers of so called "refugees" as they were reported in the Khazar controlled Media.

Britain (England & Wales) is now the most densely populated region on earth and this is official. We are more densely populated than India, Africa and China. Therefore, on numerical grounds alone, the policy of packing our tiny grossly overpopulated Island with more and more immigrants is the height of madness.

I am a convinced Christian myself and have spent almost fifty years studying the bible.

For many years I was an R.E. teacher in the State System.

I know, and you must know too, that the Bible nowhere teaches the amalgamation of races. It clearly teaches that God is the author of racial separation and that he assigned to every race and people its own portion of the globe. Deuteronomy 32.8 When the Progenitors of the different branches of mankind were determined to remain together and integrate he confounded their language and scattered them across the face of the earth. Genesis 11.

Since separation of the races has always been the policy of the Divine Creator; it naturally follows that the reverse policy of race-mixing and the promotion of mongrelization - miscegenation is of the Devil.

Race mixing isn't just evil it is Satanic. Just a little research will confirm that this policy comes straight out of Illuminism (Illuminate named after Lucifer, the covering cherub or angel of light).

See books by the late Commander William Guy Carr, such as 'Pawns In The Game.'

In defending the multiracial society and multi-ethnic immigration you, and your church, are doing the Devil's work.

Yours truly

The Editor, Bulldog.

Dear Sir,

It has been rumoured that MIs, Special Branch, and Superintendent John Grieve may put pressure on Nationalist Parties, hence being totally opposed to true British citizens would be acting under the devil.

I pray) and I mean it) that if those intend to attack Nationalist parties will be struck down one way or another before they can put their biased motives into action.

Christian Nationalists know that to attack God's people is to attack God Himself, and that has a heavy penalty.

A.B. Eastbourne.

Dear YNF,

I have just read Bulldog No 2, and as a Christian, I can only say thank God for groups like you. It was good to see the Bible quoted in "Gods Contribution" and in the Gay Labour article. The Labour party's stand for sodomites makes me sick, and for Tony Blair to call himself a Christian is an insult to Bible believing Christians. With the government and their mates in the media, always putting down everything British, upright and traditional, perhaps you would like to use this verse from scripture for your next Gods contribution.

"GODS CONTRIBUTION 2"

"20) For they speak against thee wickedly and thine enemies take thy name in vain

21) Do not I hate them O Lord that hate thee? and am not I grieved with those that rise up against thee?

22) I hate them with perfect hatred:

I count them mine enemies.
